Training - New Procedures, Self-Scheduling, Noticing & Local Rules

In November 2011 the U.S. Bankruptcy Court for the Middle District of Pennsylvania presented two Networking with the Court seminars which provided training and information to the bar and their staff regarding new procedures, self-scheduling, noticing, and changes to the local rules.

The feedback on the content of these seminars was very positive and our Attorney Liaison Committee has asked that we offer additional sessions. We are pleased to announce four additional training dates and locations.

This program provides motion hearing dates. After selecting the motion you are filing, the program will calculate the proper objection deadline based on Federal and local rules. This date, not a period of time, is to be included in your notice. Please enter the case number and the date that the Notice of Motion was served. Click the **Continue** button to bring up the Motion Selection screen. Select a motion type and the program will list all hearing dates that are possible after the objection period has run. Do not delay docketing the motion in CM/ECF as the hearing date may no longer be valid if you wait. Counsel should contact the appropriate courtroom deputy by 12:00 noon the business day prior to the hearing to remove matters resolved by consent, withdrawal, no response and first requests for continuances.
